EVERGREENS

CONIFERS. ROOTED CUTTINGS AND TRANSPLANTS

The following list of rooted cuttings will be for fall to spring shipment except the varieties with an (*) are for spring delivery, April or May. All are from flats in lath house, well hardened off, except some of the ones for spring delivery. The transplants are rooted cuttings transplanted to beds in full sun in late spring and early summer. The loam soil with peat added assures good roots.

	Per 100
CHAM. LAWS. ALLUMI (Blue Cypress)	
Large cuttings.....	\$10.00
*Spring delivery.....	8.00
CHAM. LAWS., AZUREA. New, extremely blue	
port of allumi. Transplants.....	15.00
*Spring delivery, rooted cuttings.....	12.00
CHAM. LAWS. ELLWOODI (Ellwood Cypress).	
Narrow compact, silvery, blue-green pyramid, semi-dwarf. Wonderful narrow hedge subject if if planted about 18" apart. The transplants we offer are an excellent side to retail for hedge plantings. The 4-6" size should make about 18-24" in two years.	
Rooted cuttings, average 4-6" (\$ 70 per 1000)....	8.00
2-4" transplants..... (\$ 80 per 1000)....	9.00

THUJA OR AUREA NANA (Berckmans). Strong cuttings, average about 4-6". Supply small. Limit 100 per order	12.00

Broad-Leaved Evergreens

ROOTED CUTTINGS

The varieties listed here are for spring shipment, April and May for outside planting, or if you want to transplant inside first, delivery can be made earlier. The transplants are rooted cuttings planted out in beds in full sun in the summer. Azaleas and Heathers especially benefit with a good quantity of peat moss added to the soil.

Per 100

ABELIA EDWARD GOUCHER. A new variety, deep pink..... (\$50 per 1000).... 6.00

ANDROMEDA. See Pieris japonica.

AUCUBA JAPONICA NANA. Fall to spring deliv. 8.00

BOXUS SEMP. ARBORESCENS (Truetree box)..... 6.00

BOXUS SEMP. SUFFRUITICOSA (Truedwarf box) 6.00

Both of the above box are available, fall to spring delivery, at \$50 per 1000 also.

AZALEAS

Rooted cuttings \$50 per 1000, \$6 per 100 unless otherwise noted. The transplants are about 2-4" for dwarf varieties like Christmas Cheer to about 4-6" for Ledi-folia Alba. Price for transplants is \$10 per 100, \$85 per 1000, 250 of a variety at the 100 rate, or 100 of a variety at the 1000 rate if you order not less than 3 varieties (300 plants). The following list of varieties are available in both rooted cuttings and transplants at the above prices, except where otherwise noted.

Azalea Transplants.

It is best to give Azalea rooted cuttings protection from wind and sun the first winter to prevent the bark from cracking. This can be done by building frames 1 foot high around the beds and shade with lath or other material.

ALICE. Kaempferi hybrid. Tall grower with large orange-red flowers. Rooted cuttings only at \$8.00 per 100, 10 for \$1.00.

ATLANTA. Kaempferi hybrid. Large purple flowers on tall strong growing plants. Rooted cuttings only at \$8.00 per 100, 10 for \$1.00

BENEGIRI. Hardy Japanese. Tall grower, large, showy, crimson blossoms.

BLUE TIT RHODODENDRON. Works well with Azaleas. See Rhododendron.

BOUQUET ROSE. Grows like Macrantha and blooms same time, flowers rose-pink. Transplants only.

CATTLEYA. Kurume. Pink tinted lilac. A nice one. Rooted cuttings only.

CARMEN. Kaempferi hybrid. Bushy growing plant with large rose flowers. Rooted cuttings only at \$8.00 per 100, 10 for \$1.00.

CHRISTMAS CHEER. Very compact plant, flowers red.

CORAL BELLS. Kurume. Compact grower, flowers coral-pink.

FLAME. Hardy Japanese. Tall growing plant with orange-red flowers early in the season. Rooted cuttings only.

FLAME CREEPER. Very low growing plant especially good for borders, rock work, or foreground. Flowers cover the plant with an intense flame color late in the season. Rooted cuttings \$8.00 per 100, \$70 per 1000. Transplants \$12 per 100, \$110 per 1000.

GUMPO. New, low growing dwarf plant with good foliage. Very bushy grower with bright green foliage. Flowers are white, very large, blooming rather late over a long period. Rooted cuttings \$8.00 per 100, \$70 per 1000. Transplants \$12 per 100, \$110 per 1000.

HEXE. Indica. Compact growing plant with large size crimson-red flowers.

HINO-CRIMSON. Kurume. Very compact plant with deep red flowers. Color is between Ward's Ruby and Hinodegiri. Blooms early, same time as Hinodegiri. Holds its color well. A very good one. Rooted cuttings only at \$8.00 per 100.

HINODEGIRI. Kurume. Dwarf, compact, slow-growing. Red flowers.

HINOMAYO PL. FL. Hardy Japanese. Hose in hose flowers of a beautiful soft pink.

KAEMPFERI. Hardy Japanese. Tall-growing salmon, \$8.00 per 100, 10 for \$1.00.

LEDIFOLIS ALBA. Indica. Good grower with very large white flowers.

LORRAINE. Deep rose flowers on compact plant, with good foliage.

MARY. Kaempferi hybrid. Upright growing plant with extra deep pink flowers. Rooted cuttings only at \$8.00 per 100, 10 for \$1.00.

- MAXWELLI. Hardy Japanese. Strong growing plant with extra large carmine red flowers.
- MRS. FISHER. Very vivid pink, a free bloomer. A good one.
- OBERON. Kaempferi hybrid. Large soft pink flowers on upright plants. Rooted cuttings only at \$8.00 per 100, 10 for \$1.00.
- ORANGE QUEEN. Kurume. Low-growing plant, orange flowers.
- OTHELLO. Kaempferi hybrid. Tall growing plant with large brick-red flowers. Rooted cuttings only at \$8.00 per 100, 10 for \$1.00.
- PINK PEARL. Kurume. A beautiful shade of deep-tinted pink, and a good bloomer. Rooted cuttings only.
- POUHKANESIS. Large lavender flowers on strong low-growing plant. Rooted cuttings only at \$8.00 per 100, 10 for \$1.00.
- PURPLE KING. Kaempferi hybrid. Large purple flowers on strong growing plant with good foliage. Rooted cuttings only at \$8.00 per 100, 10 for \$1.00.
- ROSAFLORA. Very dwarf, low-growing plant covered with beautiful, very double, salmon-pink flowers. Rooted cuttings only at \$7.00 per 100.
- SALMON BEAUTY. Kurume. Large, hose-in-hose flowers of a beautiful shade of salmon-pink. Light green foliage.
- SHERWOODI. Kurume. Large, orchid flowers, good growing plant. Very desirable.
- SNOW. Kurume. A very popular hose-in-hose, white borne on a compact plant. Rooted cuttings only.
- SNOWDRIFT. Kurume. Extra large pure white. Rooted cuttings only at \$7.00 per 100.
- SWEETHEART SUPREME. Pericat hybrid. Rose pink, very double. A very good one for forcing or outdoor planting. Hardy here. Rooted cuttings \$8.00 per 100, \$70 per 1000. Transplants \$12 per 100, \$110 per 1000.
- TWENTY GRAND. Pericat hybrid. Semi-double rose-pink flowers. A good one.
- VESUVIUS. Kurume. Good grower with dark green leaves, flowers large, bright orange-red.
- VIVID. Kurume. Large vivid red blooms on low bushy plant. A good one.
- WARD'S RUBY. Kurume. New, very good variety, ruby-red flowers which hold their color for a long time. Will make bushy plants if kept pinched back. Rooted cuttings only at \$8.00 per 100, \$70 per 1000. Have some cuttings ready for fall shipment also.
- YAYEGIRI. Hardy Japanese. Fast growing plant with hose-in-hose salmon-red flowers.
- Note: In order to produce good bushy plants, most all Azaleas should be pinched back often.

- CISTUS PURPUREUS** (Orchid Rockrose). Said to be the best of Rock Roses. Flowers 3 inches or more across are rich, rosy-pink with yellow stamens in center. The maroon blotch at their base adds to the attractively crinkled petals. Blooms much of the summer, starting in May or June. Unlike most of the broad-leaved flowering evergreens such as Camellias, etc., it likes full sun. A salable blooming size plant can be reduced in 2 years from a rooted cutting. The plant grows about 4 feet high and with a spread of 6 feet. Delivery, Feb. to May. Rooted cuttings do not require shade the first year. Large cuttings, av. 6-10".... 10.00
- COTONEASTER MICROPHYLLA** (Rockspray Cotoneaster). Very popular spreading evergreen variety. Bears red berries in profusion. Good sized cutgs. 7.00
- COTONEASTER MICROPHYLLA MINOR** (Dwarf Rock-spray Cotoneaster). Low-growing, with dainty, glossy, deep-green leaves, red berries. Disease free, hardy and evergreen. Makes a very good ground cover. Strong cuttings..... 7.00
- COTONEASTER MICROPHYLLA THYMIFOLIA** (Thyme Rockspray Cotoneaster). Desirable for rock work and other plantings where small shrubs are wanted because of its low, thick-growing habit. The foliage is thyme-like, small and dainty. This little dwarf bears red berries and is evergreen. Strong cuttings.... 7.00
- COTONEASTER PARNEYI**. Considered the best upright cotoneaster. Bears red berries in wonderful profusion. Strong cuttings 10.00
- CYTISUS SCOPARIUS** (Brooms). In the following varieties. The brooms make beautiful mass plantings and good hedge subjects also. Salable plants can easily be grown in 2 years from rooted cuttings planted in Spring. All varieties \$7.00 per 100 for Spring delivery. The Brownsville, California and Stanford are also available for Fall to Spring shipment in extra strong cuttings at 10.00
- C. S. BROWNSVILLE**. Tri-colored red, yellow and orange giving an old-rose color effect from a distance. The most profuse-blooming variety we have.
- C. S. CALIFORNIA**. Large flowers with a pleasing intermingling of crimson, cream and rose. The general color is pink. Very good foliage.
- C. S. DOROTHY WALPOLE**. Flowers tri-colored, well marked crimson, with rosy-cream background, giving a rich maroon effect from a distance. More dwarf, denser grower than most of the fancy brooms.
- C. S. STANFORD**. Large tri-colored flowers, crimson, cream and gold. Plant is sturdy and dense, foliage velvety.
- C. S. ST. MARY'S**. Large, clear, creamy-white flowers. Not as large-growing as most varieties.
- EUONYMUS JAP. MEDIO-PICTUS**..... 6.00
- FIRETHORN**—See *Pyracantha*.

HEATHERS

All except where otherwise noted are priced at \$4.50 per 100, \$40 per 1000. 100 of a variety at the 1000 rate if you order not less than 3 varieties (300 rooted cuttings). Heather should be pruned after flowering to keep them compact. Except where otherwise noted transplants are priced at \$9.00 per 100 and \$80 per 1000.

BRUCKENTHALIA SPICULIFOLIA. Foliage deep green somewhat like Erica. Flowers pink. Summer blooming. Rooted cuttings only at \$5.00 per 100.

CALLUNA VULGARIS ALBA. Dark green foliage and blossoms are of snowy whiteness, grows to about 18 inches, mid-summer bloomer.

CALLUNA VULGARIS AUREA (Golden heather). Nice, golden foliage which during the winter takes on beautiful tinges of red which are intermingled with green and gold. The flowers are soft lavender shades. Blooms late summer. Height about 18 inches.

CALLUNA VULGARIS CAMEA. Low spreading, double soft pink flowers. Rooted cuttings only.

CALLUNA VULGARIS COUNTY WICKLOW. Double pink. Height 12". Summer.

CALLUNA VULGARIS FLORE PLENO. Double lavender. Grows taller than County Wicklow.

CALLUNA VULGARIS FOXII NANA. The tiniest of the tiny Callunas, looking like a dark green ball of moss. Purple pink flowers, Summer blooming. Rooted cuttings \$7.00 per 100. Transplants (from lath house) \$11 per 100.

CALLUNA VULGARIS MINIMA. Very compact, mossy foliage, purple flowers in summer. Rooted cuttings only.

CALLUNA VULGARIS MRS. H. E. BEALE. Soft pink double flowers in long spikes, making it valuable for cutting. Will grow about 2 feet tall. Choice. Rooted cuttings only at \$6.00 per 100.

CALLUNA VULGARIS MRS. J. H. HAMILTON. Flowers double, soft rosy-pink. Almost prostrate with deep green foliage. Rooted cuttings only at \$5.00 per 100.

CALLUNA VULGARIS NANA (Moss heather). A dainty little dwarf growing only a few inches tall. Very close, compact growth with refreshing green foliage. Blossoms lavender, mid-summer blooming.

CALLUNA VULGARIS PYGMAEA. Foliage dark green, very compact and dainty. Lavender flowers in mid-summer. Could be used many places in landscaping where a very low-growing shrub is required.

CALLUNA VULGARIS RUBRA. A rich, purplish-red. Grows about 18 inches tall. Much like vulgaris alba except for color.

DABOECIA POLIFOLIA ALBA. White flowers all summer resembling Lily-of-the-Valley in form and size, above glossy-green, tiny leaves. Grows about 18 inches tall.

DABOECIA POLIFOLIA BICOLOR. As above, but has both mauve and white colored flowers on same plant. A quaint oddity. Rooted cuttings only at \$5.00 per 100.

DABOECIA POLIFOLIA MULTIFLORA. Palest pink. A new variety. Rooted cuttings only, at \$5.00 per 100.

DABOECIA POLIFOLIA ROSEA. Much like the above white form except flowers are mauve-colored.

ERICA CARNEA KING GEORGE. Flowers rose red which completely cover the plant when in bloom in early spring. Low-growing. One of the showiest and one of the prettiest of dwarf heaths.

ERICA CARNEA RUBY GLOW. Deeper colored than King George and a little later. Rooted cuttings only at \$7.00 per 100, \$60 per 1000.

ERICA CARNEA SHERWOODI. Flowers bright carmine-red in early spring, low spreading habit makes it a valuable ground cover.

ERICA CARNEA SPRINGWOOD PINK. Clear pink flowers. Very heavy blooming, new variety. Rooted cuttings only at \$8.00 per 100.

ERICA CARNEA SPRINGWOOD WHITE. A low spreading plant which makes an excellent ground cover. Ivory white flowers and rich brown anthers in mid season.

ERICA CARNEA VIVELLI. The deepest color, and the latest to bloom of the Carneas. Almost crimson. \$8.00 per 100.

ERICA CINEREA. A twisted and much-branched shrub with light purple, bell-shaped flowers. All cinerea varieties bloom much of the summer and make beautiful plants with good green foliage if kept sheared. Rooted cuttings only.

ERICA CINEREA ALBA. Pure white blooms, above light green foliage. Rooted cuttings only \$5.00 per 100.

ERICA CINEREA C. D. EASON. Vivid crimson flowers in dense, upright clusters. Good foliage. Very choice. Rooted cuttings only, at \$7.00 per 100.

ERICA CINEREA DOMINO. White with chocolate sepals. Lower growing than alba. Rooted cuttings only, at \$5.00 per 100.

ERICA CINEREA FULGIDA. Light crimson, more upright than C. D. Eason. Rooted cuttings only, at \$5.00 per 100.

ERICA CINEREA GOLDEN DROP. New variety, pretty golden foliage. Very choice. Rooted cuttings only at \$7.00 per 100.

ERICA HYBRIDA DAWN. Large, soft pink flowers most of summer. Rooted cuttings only at \$5.00 per 100.

ERICA HYBRIDA WYCH. Large, shell-pink flowers in summer. Rooted cuttings only at \$5.00 per 100.

ERICA MEDITERRANEA HYBRID. Rosy-lavender, winter-blooming.

ERICA MEDITERRANEA MAXIMA. An upright-growing variety growing 4 or 5 feet tall. Compact, dense grower with fine foliage. Lavender-pink blossoms in late winter. Could be used much more in landscaping. A lovely plant in bloom and always attractive in foliage.

ERICA STRICA. Tall growing (4 to 5 feet) with deep rose flowers in Aug. Rooted cuttings only.

ERICA TETRALIX. Hairy, grayish leaves, with large bells of soft pink. Blooms much of the summer. Rooted cuttings only at \$6.00 per 100.

ERICA TETRALIX MOLLIS. White flowers tinged with pink in summer. Rooted cuttings only at \$6.00 per 100.

ERICA VAGANS. Cornish Hearth. Lilac blooms from July or Aug. until Oct. Rooted cuttings only.

ERICA VAGANS ALBA. White flowers in June. Rooted cuttings only.

ERICA VAGANS MRS. D. F. MAXWELL. Bright rose. Choice. Rooted cuttings only at \$6.00 per 100.

ERICA VAGANS ST. KEVERNE. Bright pink flowers with no trace of lavender. Choice. \$7.00 per 100.

ERICA WILLIAMSI. Pink flowers in summer. Rooted cuttings only.

Can also supply the following Heathers in 2-yr. field-grown transplants at \$18 per 100, 10 for \$2.00, except where otherwise noted.
